

General Education Committee Minutes

Thursday November 21, 2013
4:00 pm 211 Monroe Hall

Present: Nora Kim (Chair), Wei Chen (Secretary), Dianne Baker, Susan Colbow, Roberta Gentry

1. The meeting was called to order at 4:00 pm in Monroe 211.
2. The committee approved the minutes of October 10, 2013.
3. The Committee discussed the previously tabled case of the application for ALP – P credits with a transferred communication course. After communicating with the professor, the committee decided to reject this application due to the need for more emphasis on creative component in the transferred course to qualify as ALP-P.
4. The committee discussed the following new student re-evaluations for Gen Ed. Credits
 - a. The committee discussed an application for N.S. credits with a transferred biology course. The committee found that the student had already fulfilled N.S. with BIOL 121 & 122.
 - b. The committee discussed another application for N.S. credits with transferred general biology courses. The committee voted and approved the application.
 - c. The committee discussed an application for N.S. credits with several transferred biology courses. The committee voted and approved the application and recommended approving SCI 111 & BIOL 142 for N.S. credits, due to the sum of courses the student has taken in the field besides the two courses.
5. The committee discussed and approved the new course proposal for PSYC 399 as a GI course.

The meeting was adjourned at 4:30 pm.
