

Honors Program Committee Minutes

September 30, 2014

Electronic correspondence by committee – John Broome, Randall Helmstutler, Jackie Gallagher, Lynn Lewis, Jennifer Polack, Kelli Slunt

Old Business

- 1) Motion – Resubmitted Contracts from Students to Designate Non-Honors Courses as Honors Courses. The students and faculty revised the proposals based on feedback from the committee and resubmitted.
 - a. Molly Lowdon - FSEM 100G4
Action: Approved – effective Fall 2014.
 - b. Emily Bolesta and Katie Belle Finch – HISP 303
Action: Approved – effective Fall 2014.
 - c. Ray Celeste Tanner - COMM 353
Action: Approved – effective Fall 2014.

Other actions

- 1) Ana Leino submitted her signed contract. As the course was approved at the September 14, 2014 meeting, the contract was approved for this student.
- 2) The research methodology proposal approval letter for HISP 461, Laboratory in Building in Forensics, approved on September 8, 2014, was corrected to reflect that the approval of the course to meet this requirement is effective Fall 2014.
- 3) Lauren Turner was added to the honors designation contract proposed by Amy Bowden for MATH 312, effective Fall 2014. This approval was requested by email by the instructor and the chair of the department. The student will meet the same requirements as outlined in the contract approved on September 8, 2014.
- 4) Jon Pineda, instructor for the ENGL 304A and 305 contracts considered at the September 14, 2014 meeting, withdrew the proposals submitted by Amanda Halprin and Hannah Morgan rather than resubmitting the contracts. The students will have to pursue other honors designated courses in spring 2015.

Respectfully Submitted,

Kelli Slunt

Director of Honors Program
