

Faculty Morale Survey Motion – Sept. 23, 2015 UFC Meeting

1. Faculty Morale Survey Motion: the UFC will assume responsibility for administering an annual faculty morale survey and will provide a summary of the results to all faculty. The UFC will also provide college-specific results to the faculty in each college.

Rationale

The CAS Faculty Morale Survey was established to be an annual survey providing time series data. To allow for the expected dissolution of the CAS Faculty Senate, the UFC would assume the responsibility for conducting the survey of CAS faculty in its present form each year. Any expansion of the survey, the population surveyed, or the audience receiving a summary of the results is at the discretion of the UFC.
