

### **Honors Program Committee Action Item**

One item of business was considered electronically. All members of the committee participated and voted unanimously to approve the motion.

The committee considered a proposal to create the new zero-credit course HONR 005, Honors Capstone Preparation. The proposal was approved on November 30, 2018. The curricular change was forwarded by Kelli Slunt to Dianne Baker for the University Curriculum Committee's consideration of inclusion in the Fall 2019 course catalog.
