

Journalism Advisory Committee  
Meeting February 10, 2019

Present at meeting:

Steven Harris (History and American Studies), Jennifer Mailloux (Psychological Science), Marjorie Och (Art and Art History), Judith Parker (English, Linguistics, and Communication), Sushma Subramanian (English, Linguistics, and Communication, ex officio)

Business of meeting:

- We reviewed feedback provided by committee members on a draft of The Blue & Gray Press Operating Procedure prepared by The Blue & Gray Press staff and we suggested edits to the document.
- The Operating Procedure includes a statement requesting that the Journalism Advisory Committee preside over the decision to remove the editor through a procedure providing appropriate due process. In the future, we plan to discuss and design a procedure that would ensure appropriate due process.

Respectfully submitted,

Jennifer Mailloux  
Journalism Advisory Committee Secretary
