

Motions Passed by the UFC – October 27, 2020 Special Meeting

Motion 1: The UFC recommends that we do not conduct a national search for the provost position for the 2021-2022 academic year.

Rationale: Conducting a job search during a pandemic will be too challenging.

Motion 2: The UFC recommends that the president wait to determine a process for hiring an interim provost until after the December 2020 UFC meeting.

Rationale: The UFC would like to obtain more constituent input about the process during this time.
