

Made from the floor by Andrew Dolby, UFC Chair – August 19, 2020 UFC Meeting

Motion: Permit departments or colleges to change the credit value for existing special topics, seminars, or individual studies courses through an expedited process determined by the University Curriculum Committee. These changes would be permanent and effective starting in January 2021. Deadlines should be set so that changes can be approved at the September 23, 2020 UFC meeting.
