E-mail Discussion Report/Minutes August 2022

1. Report—Honor credits for transfer coursework from previous institution: A new transfer Honors Scholar requested to receive honors credits for two courses that they transferred from an honors program at another institution. The student submitted two transfer course evaluation forms, one for each course, for our consideration. The committee assessed each form individually and voted by e-mail. The student's request to receive honors credits for both courses was approved by the committee.
