Business Career Pathways

The Fall 2025 **Business Career Pathways** event was held at **Woodard Hall** and successfully brought together **18 industry partners** and **more than 80 students** from the University of Mary Washington's programs in **business, economics, mathematics, and computer science**. The event provided students with opportunities to interview for internships and entry-level positions, as well as to build valuable professional connections. Employer participation reflected strong regional engagement and support for UMW's focus on experiential learning and workforce readiness. Special acknowledgment is extended to **Kelsey Proctor** and **Brittany Bailey** for their leadership in organizing and executing this impactful event.

Town Talk

Dean Tabak joined her fellow academic deans on *Town Talk* to discuss the University's shared vision for academic innovation and student success. The conversation highlighted new majors, emerging programs, distinguished faculty accomplishments, and the University's commitment to preparing students for success in a rapidly changing world.
